The products are manufactured with precision in absolute accordance with the dimensions and size specifications provided by the customer.

SOAP BOXES

MONOCARTONS

Mono cartons are designed and developed in varied styles, patterns and dimensions. The colour selection and printing of the carton depend on the product type or the type of business segment it belongs to. These cartons can be made of Paperboard or Plastic. They are made to look attractive by special applications of Varnishes, Embossing, Foiling, Laminates, UV effects with or without specialized application of metallized and holographic films. They are used for packing products of FMCG, Pharmaceuticals, Food & Beverages, Garments, Footwear, etc.

BLANK MONOCARTONS
